

# Pathology and Pharmacy University College London Hospital

## Contract Details

Value: £660k

Client: UCLH

Arch: Scott Tallon Walker Architects

QS: Cox Drew Neale Associates

The project involved the strip out of an existing restaurant area, new M&E installation and general fit out, including specialist equipment to create a new Pathology Unit.

There was then a two week decanting period and then strip out of the existing Pathology Unit and the creation of a new Pharmacy Unit including all fitting out and specialist fixtures and fittings.
