

ME Construction Ltd

CENTRAL HOUSE UNIVERSITY COLLEGE LONDON

Contract Details

Value: £136k

Quantity Surveyor: Gardiner and Theobald LLP

Client: University College London

A high profile office building that has recently been acquired by our Client. The entire building will be remodelled and refurbished to suit their specialised requirements while the premises are in partial occupation.

Our works comprise the careful demolition and removal of existing suspended ceilings, raised access floor, wall and floor finishes and the remodelling of internal partitions.
